Building strength, stability, and self-reliance through shelter

2016-2017

*Annual
Report*

OUR IMPACT

we make homeownership possible...

15 homes have been dedicated to new homeowners

more than **6,000** of “sweat equity hours” were worked by families in our homebuyer program, including **840** education hours

6 mortgages have been completely paid off

42 children are living in safe, stable homes

27 families have met the requirements of the homebuyer program and are waiting to select a home (another **20** families are working towards their first 150 hours of “sweat equity”)

...and revitalize our city...

we broke ground on our **300th** house

approximately **\$491,000** has been added to the local tax rolls

we've invested more than **\$1.7 million** in the construction of houses in the City of Buffalo

two-thirds of the houses constructed were rehabbed “zombie-properties”

5 homes have been completed in the Bailey Green Neighborhood, construction has begun on **2** more houses

...with the support of our community.

5,661 individuals have volunteered in our ReStore, in our offices, and on our construction sites

100 “regular” volunteers assist us on our construction sites weekly

more than **26,800** volunteer hours have been spent building on our construction sites

154 schools, churches, businesses, and community groups have volunteered

4 AmeriCorps Members served more than **7,000** hours (combined), assisting on our construction sites and supporting families in our homebuyer program
